**Research Analysis**

HB 4192 requires the removal of any public agency director whose agency website is not in compliance with the personally identifiable data laws found in [Title 74 Section 3106.4](#) by November 1, 2023. The agency director may return if reappointed.

**Fiscal Analysis**

HB 4192 in its current form provides a consequence for certain noncompliance with existing statutory requirements. The instances where such consequence would be utilized is expected to be rare; therefor, on a year-to-year basis HB 4192 is not expected to have an impact on the state budget or state revenues.
