**Research Analysis**

HB 4302 removes a requirement that a Highway Patrol Academy be approved by the Contingency Review Board and the Legislature before being conducted.

Prepared By: Brad Wolgamott

**Fiscal Analysis**

The measure, as introduced, would remove the requirement that Highway Patrol Academies be conducted only after approved by the Contingency Review Board or the Legislature.

The measure does not remove language that academies be conducted within the funds available to the Department. Therefore, no fiscal impact is anticipated.
