Bill No.:	HB4389
Version:	FULLPCS1
Request Number:	10663
Author:	Rep. Baker
Date:	2/28/2022
Impact:	Please see previous summary of this measure

Research Analysis

The proposed committee substitute for HB4389 makes updates to computer science course requirements. The courses must address the Oklahoma Academic Standards for Computer Science and be approved for college admission requirements. The courses cannot focus their instruction on graphics, word processing and presentations.

The measure also requires the State Department of Education to include in its annual report on computer science, information about:

- How computer science courses are being delivered
- Qualifications of computer science teachers
- Demographics of students taking computer science
