**Fiscal Analysis**

SB 1034 creates the Legacy Oil and Gas Well Innovation Committee. The Secretary of Energy, believes that any fiscal impact to its budget will be small and related to potential travel outside the Oklahoma City metropolitan area.

The Oklahoma Energy Resource Board was unsure of any potential impact from SB 1034.

Neither entity is an appropriated entity. Therefore, it is unlikely there will be a fiscal impact to the State.

The floor amendment does not affect the fiscal analysis of this measure.
