Research Analysis

Engrossed SB1364 requires that for elections held after July 1, 2022, any state agency, board, or commission that owns or leases a facility located near or in a precinct without a suitable polling place shall make space within the facility available for use as a polling place upon written request of the secretary of the county election board. Additionally, for elections held after July 1, 2022, any political subdivision that held an election conducted by a county election board on or before Jan. 1, 2018 that owns, rents, or leases a facility located in or near a precinct without a suitable facility, shall make space for use of a polling place upon written request of the county election board secretary. A reasonable maintenance or cleaning fee may be charged to the county election board for use of the facility.

Fiscal Analysis

In its current form, SB 1364 is not expected to have a direct fiscal impact on the State Election Board's budget. The measure may have a fiscal impact on county elections boards, though the impacts are expected to be routine and not substantial.
