

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	SB 1370
Version:	Engrossed
Request Number:	
Author:	Rep. Lowe, Jason
Date:	4/19/2022
Impact:	CLEET: Minimal and absorbable

Research Analysis

SB 1370 authorizes CLEET to include in the minimum curriculum requirements training that includes recognizing and managing a person appearing to require mental health treatment or services, crisis intervention, and techniques to assist with de-escalating interactions between security guards, private investigators, and the public.

Prepared By: Brad Wolgamott

Fiscal Analysis

The measure, as engrossed, would require the Council on Law Enforcement Education and Training to include de-escalation, crisis intervention, and mental health management in the minimum curriculum requirements for security guard, armed security guard, and private investigator training.

Upon review and with consultation from CLEET, passage of the measure would create a minimal and absorbable impact to the agency. The provisions of the measure would require personnel to devote work-hours to implement.
