Research Analysis

Engrossed SB148 expands the Uniform Building Code Commission by two, from 11 members to 13 members. One of the new positions would be filled by a licensed electrical engineer from a state-recognized professional engineering firm, the other by a licensed mechanical engineer from a state-recognized professional engineering firm.

Fiscal Analysis

SB 148 makes some changes to the Construction Industries Board. CIB is a non-appropriated agency, therefore this should not create a fiscal impact for the State.
