

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	SB1693
Version:	ENGR
Request Number:	
Author:	West, Josh
Date:	4/20/2022
Impact:	No impact

Research Analysis

SB 1693 requires medical marijuana commercial grower and processor applicants and licensees to either acquire a water use permit from the Oklahoma Water Resources Board if the operation uses groundwater or water from an Oklahoma stream or acquire and register with OMMA an official statement of permission from the county or municipality if the operation uses rural or municipal water. If the licensee fails to receive a permit or register the water source after 90 days following license renewal, the license will be revoked.

Prepared By: Emily McPherson

Fiscal Analysis

After review, SB 1693 has no anticipated cost or revenue considerations to the state.

Prepared By: Stacy Johnson

Other Considerations

None.
