Research Analysis

Engrossed SB1695 adds individuals appointed by the Governor as a director of an agency and those who are appointed as a cabinet secretary of the Governor to the list of individuals required to file financial disclosure statements pursuant to Ethics Commissions rules.

Fiscal Analysis

The measure is under further review; however, it is not expected to have a direct fiscal impact on agencies' budgets or the state's revenue.

While the measure provides that directors of agencies and cabinet secretaries that are appointed by the Governor are required to file financial disclosure statements pursuant to Ethics Commission's rules, the measure does not appear to create new material duties for the Commission specifically.
