Bill No.:	SB1719
Version:	ENGR
Request Number:	
Author:	Rep. West, Josh/Sen. Stephens
Date:	4/1/2022
Impact:	\$0

Research Analysis

The engrossed version of SB 1719 allows the Oklahoma Viticulture and Enology Center Development Revolving Fund to be used to support any viticulture program or research at universities and colleges within the state higher education system. Previously its purpose was limited to establishing a Viticulture and Enology Center at Redlands Community College.

Fiscal Analysis

SB 1719 moves the viticulture programs from Redlands Community College to the Oklahoma State System of Higher Education without affecting the funding for the program. Therefore, there should be no fiscal impact to the State according to the Dept. of Agriculture, Food and Forestry.
