Research Analysis

SB 1723 requires wine and spirits wholesalers to maintain its wine and spirits prices through the end of the calendar month. Wholesalers may change any price at the beginning of each month. The measure also authorizes such wholesalers to fill orders non-sequentially and impose minimum order, delivery, handling, processing, repackaging, and invoicing fees onto their orders. Wholesalers are required to make available for inspection by the ABLE Commission upon request an electronic copy, not to be publicly disseminated or subject to the Open Records Act, of the prices in which their wine and spirits were sold to the retail tier. Finally, the measure repeals 37A O.S. Sections [3-116.1](#), [3-116.2](#), and [3-116.3](#).
