**Research Analysis**

SB 1733 modifies the definition of "public body" as used in the Oklahoma Open Records Act to provide that it does not include 501 (c) (3) tax exempt organizations whose sole beneficiary is a college or university, or an affiliated entity of the college or university that is a member of the Oklahoma State System of Higher Education. Such an organization cannot receive direct appropriations from the Oklahoma Legislature. The measure also prohibits the following person from serving as a voting member of the governing board of the organization: a member, officer, or employee of the Oklahoma State Regents for Higher Education; a member of the board of regents or other governing board of the college or university that is the sole beneficiary of the organization; or an officer or employee of the college or university that is the sole beneficiary of the organization.
