Research Analysis

SB 1749 allows mixed beverage licensees and on-premises beer and wine licensees with licensed premises on a golf course or country club to sell beer in sealed original packages for on-premises consumption.

Prepared By: Emily McPherson

Fiscal Analysis

The measure, as engrossed, would allow golf courses or country clubs that hold either a mixed beverage license or an on-premises beer and wine license to sell beer in sealed original packages for on-premises consumption.

Upon review, no direct fiscal impact is anticipated from passage of the measure. No additional state expenditures are required to implement the provisions of the measure, and the measure would not have an effect on state revenues.
