Research Analysis

SB 1841 requires the Oklahoma Medical Marijuana Authority to deny an application or suspend or revoke a medical marijuana business license law due to any violation of state law, any violation of a regulation applicable to the business, any violation of a local ordinance or regulation applicable to the business, or inaccurate reporting or disclosure to municipal governments. After notification of the violation, the licensee will have 30 days to resolve the violation before denial, suspension, or revocation of the license.
