

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	SB 1853
Version:	ENGR
Request Number:	
Author:	Rep. McBride/Sen. David
Date:	4/11/2022
Impact:	Corp. Comm.: \$5,000

Research Analysis

The engrossed version of SB 1853 requires the state to set a goal of producing two million metric tons of hydrogen fuel annually using a low or zero carbon source of energy.

The measure requires every qualified hydrogen fuel production facility to annually report to the Corporation Commission by March 1 the amount of hydrogen fuel it produced the preceding year.

Prepared By: Emily Byrne

Fiscal Analysis

According to the Oklahoma Corporation Commission, the fiscal impact of this measure is minimal, about five thousand dollars (\$5,000) to help create a new reporting structure needed to implement the measure. Therefore, the total State impact is about \$5,000.
