

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	SB 1855
Version:	ENGR
Request Number:	
Author:	Rep. Boles/Sen. Simpson
Date:	4/4/2022
Impact:	Unknown

Research Analysis

The engrossed version of SB 1855 authorizes the Department of Labor to inspect any hydrogen fueling station or pump.

Prepared By: Emily Byrne

Fiscal Analysis

According to the Oklahoma Department of Labor, the fiscal impact of this measure is unknown. ODOL is still determining what special equipment it may need, if any to inspect hydrogen pumps as it did when beginning to inspect CNG pumps. Additionally, ODOL believes such pumps will come online slowly and current staffing will be able to handle the inspections for now, but a faster rate require more resources from ODOL.
