Research Analysis

SB 187 7 removes the Bill Willis Community Mental Health and Substance Abuse Services Center in Tahlequah, OK and the Norman Alcohol and Drug Treatment Center from, and adds the Oklahoma Crisis Recovery Unit in Oklahoma City to, the list of maintained facilities within the Department of Mental Health and Substance Abuse Services. The measure also removes all references to the Tahlequah and Norman facilities.

Fiscal Analysis

From ODMHSAS:

It is clean up language. The facilities that are being removed are no longer operated by the state, but the ones added are currently operated by the state.
