

BILL SUMMARY
1st Session of the 58th Legislature

Bill No.:	SB434
Version:	ENGR
Request Number:	
Author:	Rep. McEntire and Sen. McCortney
Date:	3/25/2021
Impact:	Potential cost saving of \$162M

Research Analysis

Pending

Prepared By: House Research Staff

Fiscal Analysis

From the Oklahoma Health Care Authority: In SFY '20, \$540 million was paid to non-tribal providers. So \$540 million at 70% FMAP (blend) that is potentially \$162 million potential state share savings. There is a high potential for this number to increase with this program in place.
