Fiscal Analysis

The conference committee report to the measure makes an appropriation of \$20 million to the Oklahoma Water Resources Board from the Statewide Recovery Fund created in [HB 3349 \(2022\)](#). The purpose of the appropriation is to establish a grant program and to match tribal investment in rural water infrastructure projects as recommended by the Joint Committee on Pandemic Relief Funding on March 10th, 2022. The OWRB is directed to promulgate rules and establish procedures for awarding grants.

Upon review, no direct fiscal impact to state revenues or expenditures is anticipated from passage of the measure as it simply makes an appropriation.
