Fiscal Analysis

The Tax Commission indicates the provisions of the measure will not result in an impact to revenue, and may result in minimal administrative cost savings to the agency.

Engrossed SB 607 proposes to amend 47 O.S. §1140 to remove the requirement for the Oklahoma Tax Commission (OTC) to establish more than one motor license agent (MLA) in a county with a population over 25,000 people. This measure allows the OTC to determine whether another agent is necessary, based on current conditions. At least one MLA must be located in each county.
