1st Session of the 58th Legislature

Bill No.:	SB 825
Version:	RNGR
Request Number:	NA
Author:	Rep. Kevin West
Date:	4/5/2021
Impact:	\$0

Research Analysis

SB 825 prohibits any municipality that levies a dedicated tax pursuant to a vote of the people for the purpose of funding public safety or any other governmental purpose from redirecting all or a portion of the dedicated tax revenue to any other purposed without a vote of the people authorizing such action.

Prepared By: Emily McPherson

Fiscal Analysis

The measure provides that a municipality which levies a dedicated tax as approved by voters may not redirect all or part of the dedicated revenue to another purpose without approval by voters. No revenue impact is anticipated. Should any municipality refer a change in use to voters, election costs may be incurred.
