

Bill Summary
1st Session of the 58th Legislature

Bill No.:	HB 1246
Version:	ENGR
Request No.:	
Author:	Sen. Treat
Date:	03/11/2021

Bill Analysis

HB 1246 would allow an individual's Social Security number to be sufficient documentation when securing a prescription that requires state-issued identification, if the individual's state-issued identification card has been expired for less than 1 year and they have no other form of identification that complies with the requirements.
