HB 2275 directs the Community Sentencing Division of the Department of Corrections to submit statistical information relating to community sentencing participation by county, the total number of qualifying and non-qualifying community sentences per month for each local community sentencing system, total number of community sentences ordered per month, program participation, and the annual average cost per offender. The measure provides that a copy of the report must be submitted to the Oklahoma Statistical Analysis Center for publication on the Oklahoma State Bureau of Investigation's website.
