

Bill Summary
1st Session of the 58th Legislature

Bill No.:	HB 2297
Version:	ENGR
Request No.:	
Author:	Sen. Hall
Date:	04/19/2021

Bill Analysis

HB 2297 defines “fixed wireless broadband Internet service provider” as an entity that offers Internet access through a stationary fixed point-to-point connection, often requiring direct line of sight between the provider’s wireless transmitter and its end-user consumer’s receiver as it relates to the Ad Valorem Tax Code. The measure clarifies that fixed wireless broadband Internet service providers are not included in the definitions of transmission company and public service corporation.
