Bill Analysis

HB 2380 authorizes alcoholic beverage licensees to provide self-pour automated devices for dispensing beer and wine. Such licensees must use an ABLE approved device to dispense the alcoholic beverages and may only dispense 10 ounces of wine or 32 ounces of beer per serving. Licensees are required to provide constant video monitoring at all times during which the licensee is open, keep such footage for at least 60 days, and provide the footage upon request to any ABLE Commission agent or other authorized law enforcement.
