Bill Analysis

HB 2567 authorizes the Department of Corrections to establish a Nurse Aide training program for eligible inmates. The curriculum will follow established training requirements for Nurse Aides. The Chief Medical Officer of the Department will oversee the program. Prisoners that successfully complete the program shall receive a certificate of such completion from the Department. The Department of Corrections, in cooperation with the State Department of Health and the Oklahoma Department of Career and Technology Education, must develop appropriate processes to submit notice of training completion and application for licensure or certification to the State Department of Health
