Bill Analysis

HB 2747 requires municipal employers to recognize a bargaining agent selected by a majority of the firefighters of the fire department or police officers of the police department of that municipality as the exclusive bargaining agent for the firefighters or police officers of that municipality until a majority of the firefighters or police officers withdraw the recognition. Such agents must be recognized by a majority of the firefighters or police officers of that department. Any vote or ballot authorized by the agreed procedures shall be accompanied by a copy of the voter's driver license or other state authorized identification card. If no parties can agree on election procedures, either party may request the American Arbitration Association to conduct the election and certify the results. Elections for bargaining agents may only be held once per 12-month period.
