

Bill Summary
1st Session of the 58th Legislature

Bill No.:	HB 3374
Version:	CS
Request No.:	3771
Author:	Sen. Pemberton
Date:	04/06/2022

Bill Analysis

HB 3374 allows the State Board of Education to assist and award grants, subject to funding, to school district boards of education to establish pilot projects to create community schools. It requires the pilot project plan to include designation of a community school coordinator who is to undergo certain leadership training, a comprehensive needs assessment process, site-based collaborative leadership, and ongoing stakeholder engagement.
