

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 11
Version:	INT
Request No.:	277
Author:	Sen. Weaver
Date:	11/16/2020

Bill Analysis

SB 11 applies the \$150.00 fee collected by the court clerk for the purposes of funding the OSBI Combined DNA Index to persons arrested or convicted on any drug possession charge. Current law only applies the fee to those arrested or convicted of possession of a Schedule IV substance. Additionally, newly included individuals are required by the measure to submit to DNA testing for law enforcement identification purposes.
