2nd Session of the 58th Legislature

Bill No.:	SB 1123
Version:	CS
Request No.:	3486
Author:	Sen. Burns
Date:	03/01/2022

Bill Analysis

The CS for SB 1123 authorizes funeral home services to transport the body of a person who has died to their facility once the attending law enforcement officer has adequately documented and preserved the conditions at the scene by photographs and measurements. Additionally, the measure directs each law enforcement agency to maintain a current on-call rotation list of funeral homes in the area to call once the decedent has been released for transport.
