Bill Analysis

SB 1127 provides that certified school personnel and support personnel may opt not to participate in the school-district-sponsored cafeteria (benefit) plan and receive \$300.00 per month as compensation in lieu of such participation beginning FY 2023. School and support personnel opting out of the plan must provide proof of coverage under a separate health insurance plan and sign an affidavit attesting that the employee is currently covered and does not require school-district-sponsored health insurance each plan year. The measure also provides that state employees participating in the Oklahoma Employees Insurance and Benefits Act may opt out of the state's basic plan and receive \$300.00 per month as compensation in lieu of such participation beginning FY 2023.
