

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1188
Version:	CS
Request No.:	3619
Author:	Sen. Taylor
Date:	02/21/2022

Bill Analysis

The CS for SB 1188 exempts municipalities with a population of less than 4,500 from the requirement to participate in the Oklahoma Police Pension and Retirement System if it hires retired police officers who are more than 45 years of age that have participated in the System. These municipalities may additionally hire any retired person actively receiving benefits from other state pension systems without requiring participation in the Police Pension and Retirement System. Persons hired in this manner shall not be subject to the requirements and obligations of the Oklahoma Police Pension Retirement System and shall not be eligible to enter into the System.
