

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1210
Version:	INT
Request No.:	2826
Author:	Sen. Bullard
Date:	01/07/2022

Bill Analysis

SB 1210 requires applicants for limited quantity stream water permits to provide notice of the application via mail to the owner or owners of each tract of land adjacent to the stream identified in the permit application for a distance of 2 miles upstream and to all owners downstream of the identified stream. Notice via certified mail shall also be transmitted to every stream water permit holder and to any person or entity with a pending stream water permit application for a distance of 2 miles upstream and to every applicant downstream of the proposed diversion point.
