

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1229
Version:	INT
Request No.:	3094
Author:	Sen. Bergstrom
Date:	01/11/2022

Bill Analysis

SB 1229 expands the authorized use of monies from the Highway Construction Materials Technician Certification Revolving Fund to include the certification of individuals seeking to become registered as a highway construction materials technician. The measure also strikes language providing that the Fund shall be used for examination and the execution of the powers and duties of the Board. The measure also repeals the provisions of the Oklahoma Highway Construction Materials Technician Registration Act.
