

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1237
Version:	INT
Request No.:	3473
Author:	Sen. Dugger
Date:	01/11/2022

Bill Analysis

SB 1237 adds traumatic brain injuries and strokes to the list of conditions that authorizes the Department of Public Safety to require a licensee to submit to a physical. Additionally, the measure specifies that the initial report drawing attention to a licensee's condition shall be filed by a physician, law enforcement officer, or direct family member. If the report is filed by a family member, it shall be kept anonymous.
