2nd Session of the 58th Legislature

Bill No.:	SB 1255
Version:	INT
Request No.:	3378
Author:	Sen. Montgomery
Date:	01/12/2022

Bill Analysis

SB 1255 modifies requirements for alternative teacher certification by replacing references to specific types of master's degrees with a reference to a master's degree. The bill also directs the Commission for Educational Quality and Accountability to contract with multiple vendors to provide general education, professional education, and subject area examinations for teacher certification.
