

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1257
Version:	INT
Request No.:	2842
Author:	Sen. Quinn
Date:	01/12/2022

Bill Analysis

SB 1257 prohibits roofing contractor providing services such as repair or improvement services from filing an insurance claim on behalf of the insured without express written permission from the insured. The measure requires property and casualty insurance providers to not accept claims from any other entity or person other than the insured for services unless the insured grants written permission for such claims.
