Bill Analysis

The CS for SB 1276 provides that any documents created, stored, or delivered under the electronic lien title program as provided in this section shall be presumed valid instead of considered valid as provided for in current law. The CS also directs the Oklahoma Tax Commission to implement a program which will permit the electronic filing, storage, and delivery of boat and motor certificates of title and allow a lienholder to perfect, assign, and release a lien on a boat or motor in lieu of submission and maintenance of paper documents no later than July 1, 2022.
