Bill Analysis

SB 1364 provides that any state agency, board, or commission that owns or leases a facility located in or near a precinct without a suitable polling place available shall make the facility available as a polling place upon the written request of the secretary of the county election board. This provision shall apply to any election conducted after July 1, 2022. Any political subdivision that held an election after January 1, 2018 that was conducted by a county election board that will hold an election after July 1, 2022 shall make space within any facility it owns or leases to be used as a polling place upon the written request of the secretary of the county election board. Entities providing such space may charge the county election board making the request a reasonable fee for cleaning and maintenance.
