

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1413
Version:	CS
Request No.:	3592
Author:	Sen. Montgomery
Date:	02/21/2022

Bill Analysis

The CS for SB 1413 requires health benefit plans offering coverage for mental health and substance abuse disorders to include in their findings and conclusions sufficient detail to fully explain such findings such as the methodologies for the analyses, detailed descriptions of each treatment limitation, and detailed descriptions of all criteria involved for approving mental health and substance use disorder benefits. The measure directs the Insurance Commissioner to promulgate rules and standardized reporting templates.
