**Bill Analysis**

SB 1413 directs the Insurance Department to conduct a market conduct examination to analyze the non-quantitative limitations of mental health parity. A market conduct examination is an examination of the health insurance operations of any entity administering a health benefit plan. The study must include assessment of network adequacy. The examination findings shall be provided to the Governor, President Pro Tempore of the Senate, and Speaker of the House as well as published on the Mental Health Parity page of the Department's website no later than July 1, 2023.
