Bill Analysis

The FS for SB 1610 directs the Oklahoma Turnpike Authority to prepare a report concerning the proposed construction of the South Extension Turnpike. The measure outlines the necessary components of the study and directs the Authority to deliver 2 copies of the report to the President Pro Tempore of the Senate, Speaker of the House, and Governor at least 180 days prior to issuing bonds for the construction on the South Extension Turnpike. The President Pro Tempore and Speaker shall submit a copy of the report to the Chairman of the Senate Transportation Committee and Chairman of the House Transportation Committee respectively. The Legislature may modify the authorization for construction or location of the South Extension Turnpike
