

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1630
Version:	INT
Request No.:	2865
Author:	Sen. Pugh
Date:	01/24/2022

Bill Analysis

SB 1630 requires each public school district to conduct exit interviews with teachers who leave the district's employment due to dismissal, nonreemployment, resignation, or retirement. The measure directs the interview to include a standardized form created by the State Department of Education. The measure provide that data collected through the interviews shall be submitted in the aggregate to the State Department of Education to inform decisions regarding professional development and to the Office of Educational Quality and Accountability to be shared with teacher education programs.
