Bill Analysis

SB 1661 provides that non-state government-owned facilities as they relate to the federal Medicaid supplemental payment program shall include boards of control created by and charged by a board of county commissioners with the management and control of a county hospital, public trusts under lease with boards of county commissioners for the operation of county hospitals, municipal bodies that established municipal hospitals, boards of control created by and charged by municipal governing bodies with the management and control of municipal hospitals, and municipal or governmental bodies other than the state authorized to operate health care facilities.

House Amendments

HA's to the measure restores the title and enacting clause as well as changed "nonstate government owned facilities" to "non-state government-owned facilities."
