Bill Summary 2nd Session of the 58th Legislature

Bill No.: SB 1674
Version: INT
Request No.: 2751
Author: Sen. Rader
Date: 01/25/2022

Bill Analysis

SB 1674 removes the requirement for a victim of stalking seeking relief to first file a complaint with the appropriate law enforcement agency prior to filing for a protective order if the stalker is not a family or household member or an individual who is or has been in a dating relationship with the victim.
