Bill Analysis

SB 175 creates the Traumatic Brain Injury Task Force. The task force is directed to identify the needs of and best-practice approaches to traumatic brain injury (TBI) survivors and to make recommendations to the Legislature regarding TBI's. The task force shall be comprised of 11 members and appointed in the manner outlined by the measure. The measure directs the task force to work with other entities that are pursuing initiatives or studies similar to the purpose of the task force, identify existing studies and best practices, assess TBI cases and care in the state, and collaborate with health care providers.
