Bill Analysis

SB 1760 removes reference to licenses from the terms “candidate,” “examination,” and “applicant” as they relate to the Oklahoma Accountancy Act. The measure also modifies the membership of the Accountancy Board. Additionally, the measure strikes the requirement for applicants to take the examination to have a certain amount of credit hours and a degree. The measure adds a new public member appointed by the Governor and provides that 1 of the public members shall serve a 5-year term. The new position shall be filled by a person with professional or practical experience in the use of accounting services and financial matters. Recommendations for the position shall be submitted to the Governor by the Oklahoma Society of Public Accountants, Oklahoma Society of Certified Public Accountants, or successor organizations for each Governor appointed vacancy.
