

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1771
Version:	INT
Request No.:	3131
Author:	Sen. Dahm
Date:	01/27/2022

Bill Analysis

SB 1771 provides that any person attempting to remove feral swine from an owner's property with the owner's permission shall not require licensure. Additionally, the measure allows such removal to occur at night. The measure also allows such persons to use motor-driven land conveyance to pursue or follow feral swine and a headlight or night vision equipment.
