

**Bill Summary**  
2<sup>nd</sup> Session of the 58<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 1789</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>3066</b>
<b>Author:</b>	<b>Sen. Leewright</b>
<b>Date:</b>	<b>01/27/2022</b>

**Bill Analysis**

SB 1789 modifies the term “distributed generation” to include the requirement that devices interconnected to and operating in parallel with the retail electric supplier’s grid to comply with standards established by any applicable regulatory entity in addition to the standards of the retail electric supplier provided for in current law.
