

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1794
Version:	INT
Request No.:	3362
Author:	Sen. Dahm
Date:	01/27/2022

Bill Analysis

SB 1794 directs the Department of Environmental Quality to conduct a study focusing on the feasibility and establishment of nuclear facilities in cooperation with the Office of the Secretary of Energy and Environment on or before January 1, 2024. The study must include the state requirements as specified by United States Nuclear Regulatory Commission and any method of federal agency approval. Upon completion of the study, a report shall be submitted to the President Pro Tempore of the Senate, Speaker of the House, Governor, the Chair of the Senate Energy Committee, and the Chair of the House Energy and Natural Resources Committee no later than February 1, 2024.
